

Mumbai 3.0

The Opportunity

[Request the Prospectus](#)

The next Mumbai isn't coming. It's already being built. Khopoli sits at the centre of one of the most significant urban expansions in Indian history. Oltraya Verde is positioned precisely at the inflection point.

- [X] projects in pipeline [CONFIRM — only include if RERA filed or near filing]

From the Journal

WHAT WE KNOW. FREELY SHARED.

We spent fifteen years learning how real estate decisions go wrong. Here is what we learned

FEATURED ARTICLE NO. 1

The most expensive thing in real estate is a surprise.
